

Welcome to the Dane County Bicycle Map

Dane County is a wonderful place to live, work, and ride a bicycle! Our rolling hills, farms and countryside, small towns, villages, and cities are terrific places to visit by bike. An extensive network of multi-use trails, bike paths, and on-street bike facilities offers exceptional recreational opportunities and low-stress routes for everyday bike trips. Whatever the purpose of your ride, enjoy traveling on two wheels throughout Dane County!

Bienvenido al mapa para andar en bicicleta del condado de Dane

El condado de Dane es un lugar maravilloso para vivir, trabajar y pasear en bicicleta. Una amplia red de senderos de uso general, ciclovías e instalaciones para bicicletas en la calle ofrecen oportunidades excepcionales para recreación y para transportarse en bicicleta de forma tranquila. Cualquiera sea el uso que le des, ¡disfrúte de andar en dos ruedas por todo el condado de Dane!

Contributing Agencies

The Dane County Bicycle Map is prepared by the Greater Madison Metropolitan Planning Organization (MPO) and printed with funding from Dane County. The City of Madison provides translation services and input on the map and text.

The Greater Madison MPO is responsible for cooperative transportation planning and decision making in the Madison metropolitan planning area. The Regional Transportation Plan 2050, updated and adopted by the MPO in 2022, guides transportation planning and development in the region; the Bicycle Transportation Plan for the Madison Urban Area and Dane County (2015) is an element of this plan.

Safety Information

Obey Traffic Laws: Remember – a bicycle is a vehicle.

Wear a Helmet

Stay to the Right: Ride as near as safely possible to the right edge of the road or appropriate lane.

Communicate with Others: Use hand signals, and if possible, make eye contact with other roadway users.

Equip and Maintain Your Bicycle Properly: When riding after dark, you must use a white light visible at least 500 feet to the front, and a red reflector visible at least 500 feet to the rear.

Be Aware of Hazards

Maintain a “Safety First” Attitude

Información de seguridad

Obedezca las leyes de tránsito: Recuerde que las bicicletas son considerados vehículos.

Use casco.

Vaya con cuidado lo más cerca posible del borde derecho del camino o del carril correspondiente.

Comuníquese con los demás usuarios del camino y haga contacto visual si es posible.

Equipe y mantenga su bicicleta de manera adecuada: Cuando salga de noche, debe usar una luz blanca que se vea, como mínimo, a 500 pies por delante y un reflector rojo que se vea, como mínimo, a 500 pies por detrás.

Esté atento a los peligros.

Mantenga una actitud de “la seguridad es lo primero”.

Map Legend

	Most Suitable for Shared Bicycle/Motor Vehicle Use		Bicycle Over/Underpass
			Bicycle Over/Underpass Under Construction
			Bike Elevator at Monona Terrace
			State Park
			County Recreation Park
			Community Park
			Mountain Biking Trails
			Bike Station
			Parking
			Park and Ride Lot
			Hamlet

* Shown for wayfinding purposes on urban streets through cities and villages. These are generally, but not in all cases, low or moderate traffic stress streets due to lower speeds and generally lower traffic volumes and/or bicycle facilities. Bike routes are generally not signed outside the Madison area.

** May include short connections through parking lot or driveway.

Data Sources:
Biking Suitability: Greater Madison MPO (2020).
Bike Paths, Trails and Routes: Greater Madison MPO (2022).
Streets: Dane County Land Information Office (2020).
Public Lands: DNR Managed Lands (2020).
Parks: City of Madison Parks (2021), Dane County Parks (2020).

Referencias

	Más adecuado para uso compartido de bicicletas / vehículos de motor		Paso elevado/subterráneo para bicicletas
			Paso elevado/subterráneo para bicicletas en construcción
			Elevador de bicicletas en Monona Terrace
			Parque estatal
			Parque recreativo del condado
			Parque comunitario
			Senderos para ciclismo de montaña
			Estación de bicicletas
			Estacionamiento
			Aparcamiento disuasorio
			Casero

* Se supone que es más adecuada por el volumen de tránsito generalmente bajo y por las velocidades más bajas que en las carreteras estatales y del condado. Las ciclovías, por lo general, no están señalizadas fuera del área de la ciudad de Madison.

** Puede incluir conexiones cortas a través del estacionamiento o entrada de vehículos.
