Provide a brief description of the project in the space provided. If the project is a vehicle replacement, specify if the vehicle being replaced was purchased with federal funds (Section 5310 or other).

COORDINATION

[Project Name]

The Federal Transit Administration (FTA) requires that projects funded under the Section 5310 program are derived from a “locally developed coordinated public transit-human services transportation plan”. This ensures that applicants are coordinating services with other transportation providers. Section 5310 projects must be identified by a strategy and/or action item in a county, multi-county, or regional plan. List the plan names, strategies or action items, and page numbers. For multiple plans use the space below.

A list of all coordinated plans in Wisconsin counties can be found: [here](#).

SINGLE AUDIT

WisDOT is responsible for reviewing A-133 audits of subrecipients that expend more than \$750,000 annually of federal funding from all sources, not just US DOT funds, in accordance with the Single Audit Act Amendments of 1996 and revised by OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations." The audits shall be made by an independent auditor in accordance with generally accepted government auditing standards covering financial audits. Please mark the appropriate box below.

Our agency expends less than \$750,000 in a year in federal funds from all sources. Grantees that do not meet the A-133 threshold may be required to submit supporting documentation for a quarterly reimbursement request. Grantees chosen for submission will be notified prior to the quarter end for which the request is made.	<input type="checkbox"/>
Our agency expends more than \$750,000 in a year in federal funds from all sources. Please indicate the date of your last A-133 submission below. WisDOT staff will review the harvester.census.gov website for any program related findings and follow up with affected grantees.	<input type="checkbox"/>

Date of most recent A-133 audit submission: _____

WRITTEN RESPONSES

Provide written responses to questions 1-3 using the text boxes in the pages below or in a separate document if necessary. Responses are limited to one page per question except for Question 1.

Question 1: Demonstration of Need and Project Benefits (attach up to one additional sheet if necessary)

Describe the project and the anticipated outcomes. If proposing a service activity, include information on operational schedules. If capital is requested, describe how the funds will be utilized. For mobility management projects, outline how the mobility manager will increase participation in and coordination of transit for seniors and people with disabilities.

Evaluation Criteria:

The application describes how the existing project or the proposed project will be effective at meeting the transportation needs of seniors and people with disabilities and what happens if the funding is not awarded. (10 points max)

Project Type

- Replacement or Service Level Maintenance Vehicle- Explains why current fleet cannot meet current needs (10 Points)
- Expansion Vehicle- Describes the planned service expansion and how the need for the expanded service was determined (8 Points)
- Mobility Management (Traditional)-Describes how project will help meet the transportation needs of seniors and individuals with disabilities, and identifies specific services and activities the project will provide (10 Points)
- Non-Traditional Projects- Describes how project will help meet transportation needs of seniors and individuals with disabilities. Identifies specific services and activities the project will provide (8 Points)

Supported by the Coordinated Plan- The project overcomes barrier to transportation and/or meets an unmet need.

- Identified as a Tier 1 Strategy Project (10 Points)
- Identified as a Tier 2 Strategy Project (6 Points)
- Not identified as a strategy, but addresses a need (3 Points)

The project serves a reasonable number of individuals or trips given the project budget.

- Should include total number of people served, and percentage of seniors or individuals with a disability served (10 points max)

Question 2: Promotes Development of a Coordinated Network (response limited to one sheet)

Explain how the proposed project will meet the identified needs and ensure that there is a coordination of efforts to ensure the targeted population is being served through the appropriate organization(s).

Evaluation Criteria:

The application identifies other transportation services available and how the project complements rather than duplicates them. (15 points max)

- Could include (but not limited to) increased hours of operation, reduction of coverage gaps, increased access to medical/employment/recreation trips

The application identifies steps that will be taken to ensure a coordinated effort with other local agencies (including human services agencies, meal and shopping sites, employers etc.), and how the service will be marketed. (10 points max)

The application describes who is eligible to ride/participate in proposed service.

- Public- Project/service is open to all eligible seniors or individuals with disabilities (5 Points)
- Private- Project/service is limited to a select client base (2 points)

Question 3: Financial and Management Capacity (response limited to one sheet)

Describe your agency's experience managing state, federal, or other outside funds. Describe how the project is cost effective and minimizes unnecessary overhead costs.

Evaluation Criteria:

The project has a reasonable level of administrative costs (10 points max)

The application identifies local match sources that are backed up by budgets, support letters, and other documentation. (10 points max)

The project sponsor has the capacity to meet the project management, reporting, and project delivery functions of the Section 5310 program. (10 points max)

CERTIFICATION OF LOCAL PUBLIC BODY ELIGIBILITY

Local public bodies applying for vehicles or mobility management projects must notify all private non-profit organizations that provide specialized transportation services for seniors and people with disabilities in their service area. They must also offer those organizations the opportunity to provide the proposed service, or comment on and offer alternatives to the proposal.

List each of the private non-profit organizations in your area who you have sent an "Availability of Non-Profits" letter to, and attach a copy of any comments, or offers of alternative services that are received with your application. Attach multiple sheets if necessary.

Private Non-Profit Name	Contact Name	Email	Address	Comments or alternative services received? (Y/N)

<input type="checkbox"/>	I certify that I have made a good faith effort to notify all private non-profit organizations that provide specialized transportation services for seniors and people with disabilities in my service area, and that to my knowledge all private non-profit organizations that provide specialized transportation services for seniors and individuals with disabilities have been contacted.
<input type="checkbox"/>	This application is for a mobility management project and my organization has been certified by the State of Wisconsin to coordinate transportation service. Attach the resolution designating your agency as the coordinator of transportation services for seniors and persons with disabilities.
