**Prepared by the Wisconsin Department of Transportation
Bureau of Transit, Local Roads, Railroads and Harbors**

May 18, 2021

NOTE: This booklet contains Certifications and Assurances that **must** be submitted for Federal funds.

Background Information

The following Certifications and Assurances have been compiled for Federal Transit Administration (FTA) assistance programs applicable to WisDOT grant applications and awards.

A complete list of [Federal Fiscal Year 2021 Annual Certification and Assurances](#) for FTA grants is available at on the FTA website.

The Applicant/Recipient understands and agrees that not every provision of these certifications and assurances will apply to every Applicant/Recipient or every Project or Award for which FTA provides Federal funding. The type of project and the selection of the statute authorizing Federal financial assistance for the project will determine which provisions apply. The terms of these certifications and assurance reflect applicable requirements of FTA's enabling legislation currently in effect.

The Certifications and Assurances have been prepared in light of:

- ✓ Previous legislation that remains in effect, and
- ✓ Appropriations Acts or Continuing Resolutions funding the U.S. Department of Transportation during Federal Fiscal Year 2021.

The Applicant/Recipient understands and agrees that these Certifications and Assurances are *pre-award* requirements, generally imposed by Federal law or regulation, and do not include all Federal regulations that may apply to the Applicant/Recipient or its project. The [FTA Master Agreement](#), which is updated annually and located on FTA's website, contains the current list of most requirements:

Each Applicant/Recipient is ultimately responsible for compliance with the Certifications and Assurances selected on its behalf that apply to its Project or Award, itself, any Subrecipient, or any other Third-Party Participant in its Project, except as FTA determines otherwise in writing.

For this purpose, FTA is authorized to collect a certification from each Applicant/Recipient regarding its exclusion status 2 CFR §180.300. Additionally, each Applicant/Recipient must disclose any information required by 2 CFR §180.335 about the Applicant/Recipient and its principals prior to entering into an award agreement with FTA. This certification serves both purposes.

If the Applicant/Recipient is a business association (regardless of for-profit, not for-profit, or tax-exempt status), it must make this certification. Federal appropriations acts since at least 2014 have prohibited FTA from using funds to enter into an agreement with any corporation that has unpaid Federal tax liabilities or recent felony convictions without first considering the corporation for debarment. E.g., Consolidated Appropriations Act, 2021, Pub. L. 116-260, div. E, title VI, §§ 744-745. U.S. DOT Order 4200.6 defines a "corporation" as "any private corporation, partnership, trust, joint-stock company, sole proprietorship, or other business association", and applies the restriction to all tiers of subawards. As prescribed by U.S. DOT Order 4200.6, FTA requires each business association Applicant/Recipient to certify as to its tax and felony status.

If the Applicant/Recipient is a private corporation, partnership, trust, joint-stock company, sole proprietorship, or other business association, the Applicant/Recipient certifies that:

1. It has no unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability; and

The recipient's DBE Program, as required by 49 CFR Part 26 and as approved by U.S. DOT, is incorporated by reference in this agreement. Implementation of this program is a legal obligation and failure to carry out its terms shall be treated as a violation of this agreement. Upon notification to the recipient of its failure to carry out its approved program, the U.S. DOT may impose sanctions as provided for under Part 26 and may, in appropriate cases, refer to the matter for enforcement under 18 U.S.C. 1001 and/or the Program Fraud Civil Remedies Act of 1986 (31 U.S.C. § 3801 et seq.).
